Terrill Trucking

Valley Custom Carts

Watts Equipment

Hello Fellow Supporters of the Manteca Community! It's a new year with a new opportunity to help your Sunrise Kiwanis Club support local efforts promoting childhood education, happiness, health, maturation, and welfare through their hosting of the Pumpkin Fair!

Funds raised through the Pumpkin Fair are given back to the community through scholarships, grants and donations to qualified individuals and non-profit organizations in need. Plan to attend our annual "Community Night of Giving" next February.

The Pumpkin Fair has been rich in tradition and continues to stimulate new and creative events to draw people, allowing our community to benefit from their visit. This year a T-shirt design contest will involve our high school's "artisans" as they compete for funds to enhance their "sober" graduation experience!

Enclosed you will find the sponsorship form with defined levels of sponsorships available. We are intent on securing your support well in advance of the deadline for advertising concerns to provide you the most publicity for your contribution. Personal social media has expanded our exposure, helping our efforts to focus on making sure the message gets out and direct the area population to our event.

If you have any questions please contact us at info@sunrisekiwanis.org, or visit our website at www.sunrisekiwanis.org to learn more details about the Pumpkin Fair and how the Manteca Sunrise Kiwanis helps our community. Consider joining our club! We meet every Thursday morning at 6:45 in the conference room of Doctors Hospital of Manteca.

All sponsorships are greatly appreciated – YOU make the difference!

Steve DeBrum, Sponsorship Chairman
